The Next Generation Luxury SUV – The Mercedes-Benz GLE 450 AMG Line

- With a perfect combination of luxury and performance, Mercedes-Benz has now set a new standard for the full-sized luxury SUV segment with the newly launched model, GLE 450 AMG Line.
- Showcasing the iconic Mercedes-Benz design while remaining true characteristics as an off-roader, this new breed luxury SUV is equipped with the active suspension system E-ACTIVE BODY CONTROL and the Active Stop-and-Go Assist driving assistance systems.
- The GLE 450 AMG Line further embodies its timeless beauty with its aesthetic appeal, a combination of harmonious interaction between emotion and intelligence. It is available as a 5-seater and 7-seater starting from an estimate price of RM633,888.

A true off-roader with a wealth of innovations, the all new Mercedes-Benz GLE 450 AMG Line will soon be on the Malaysian road, following its special preview at the Mercedes-Benz SUV media launch held today.

“We are proud to introduce the all-new Mercedes-Benz GLE 450 AMG Line. It portrays the iconic Mercedes-Benz design while remaining true to its character as an off-roader. The interior derives its fascination from the contrast between the luxurious and elegant design and the digital high-tech of our MBUX system. It a product of ‘all kinds of strength’,” said Dr Claus Weidner, President and Chief Executive Officer Mercedes-Benz Malaysia.

The new generation luxury SUV

The innovation continues with the active suspension system E-ACTIVE BODY CONTROL and the Active Stop-and-Go Assist driving assistance systems. Combining with a fully networked hydro pneumatic, the world first active suspension on a 48-volt basis combined with newly develop air suspension, lending the GLE 450 AMG Line a greater performance on the road. Even more exclusive is can be individually controlled at each wheel.

Pursuing the revolutionary journey into the digital era of automobile, the GLE is also equipped with the MBUX - Mercedes-Benz User Experience, an improvement from the A-Class in which this state-of-the-art system debuts include two large 12.3-inch/31.2 cm screens which are arranged side-by-side for an impressive wide-screen look.

This revolutionary system include LINGUATRONIC that obeys practically every word came out from the driver. Not only have that, MBUX multimedia system recognises and understands almost every sentence occurring in the infotainment functions and vehicle operation.

Luxurious appeal meets bold highlights

Featuring an AMG Line exterior and Night Package, the GLE 450 AMG line levelled up its expressive and sporty character to the highest level, from the dynamic AMG body styling, diamond radiator grille with chrome pins through to the 22-inch AMG 5-twin-spoke light-alloy wheels, and mesmerizing MULTIBEAM LED graphics. Other highlight features include panoramic sliding sunroof and sensual interior such as the brushed aluminium trim.

The new generation features improved comfort, reflecting it from the Acoustic Comfort Package. It enables the GLE 450 AMG Line to reduce disruptive noise, even when driving at high speeds. It also offers the windscreen and side windows with laminated safety glass with noise-damping film, additionally helping to improve the soundproofing.

Superior performance

A turbocharged six-cylinder that generates a thunderous 367hp, the GLE 450 AMG Line is powered by 3.0 litre engine. The perfection continues with the extended DYNAMIC SELECT transmission modes, the latest stage of development of the air suspension system AIRMATIC with enhanced damping system ADS, the 9-speed 9G-TRONIC automatic transmission, state-of-the-art assistance systems and the latest telematics generation with internet access.
